

Zaki Fauzan Rabbani

Samarinda, Indonesia, 081528840057, zakifauzanrabb@gmail.com

PROFILE SUMMARY

I'm Zaki Fauzan Rabbani, currently in my seventh semester pursuing a degree in Information Systems at Mulawarman University. My academic journey has been an exciting exploration of the world of technology, and I've found my passion in the realm of front-end web development, particularly with React. However, I'm not limited to just one tool, I'm also proficient in native PHP.
